Placement within group

The players will be ranked in the group on the basis of the number of matches won. If there is a tie in 2 players head-to-head result will be used to break the tie. In case there is tie amongst 3 or more

players then the % of set won (set won/ total sets played) will decide the order. For further ties the % of games won (games won/ total games played) will decide the order. Further ties will be broken by draw of lots.

A match won by default or walk over will be considered as 6/0 6/0 for calculation of group standings.
